REPAYING YOUR LIFETIME MORTGAGE

Your lifetime mortgage is designed to be repaid after you (or both of you, if you are borrowing jointly) have died, or moved permanently into long-term care.

You may have to pay an early repayment charge if you overpay more than your mortgage terms allow, or you repay the mortgage early. You can find details about this charge in your offer document.

We'll never charge more than 20% of each advance you've taken as an early repayment charge.
