Servicing interest with monthly payments:

This option must be selected on the initial advance and continue to be paid in order to then make any monthly payments on additional borrowing prior to the Offer letter being issued.

A reduction to the roll-up interest rate will apply for customers who decide to pay some of the monthly interest amount. Customers who choose to service >25.01% of the monthly interest amount will receive a 0.05% reduction to the roll-up interest rate.

Payment amount	£25 to 100% of the monthly interest amount.
Payment date	1st or 15th of each month fixed at outset.
Payment holidays	<ul style="list-style-type: none"> • Customers can request one payment holiday of up to three consecutive months in each 12 month period after completion providing they give us one months' notice. • The monthly interest not paid during the payment holiday will be added to the loan and roll up on a compound basis.
Stopping payments	<ul style="list-style-type: none"> • Customers can stop making monthly payments at any time. • Once they have stopped making monthly payments they are not able to restart. • Once payments have stopped the customers lifetime mortgage will switch to a full roll up of interest basis for the remainder of the term and the interest rate applicable to the loan will increase.

Please see our **Lending Criteria Guide** for property and lending criteria applicable to our lifetime mortgage.

Cash facility option:

This option must be selected prior to the Offer letter being issued.

Cash facility	Up to the maximum LTV less the initial advance (subject to an unused cash facility of £200,000).
Minimum additional advance release	£2,000

Medically underwritten option

This option must be selected at outset and health conditions and lifestyle factors must be provided before the offer letter is issued.

Depending upon the underlying customer need, customers who qualify for this option may be able to borrow a higher initial advance or achieve their borrowing requirements at a lower rate of interest than an 'equivalent' healthy customer.

Green feature:

Available on our J2.5 LTV series only, this feature reduces the standard interest rate for those whose property has a valid Energy Performance Certificate (EPC) rating of A or B.

The valid certificate must be provided at application stage.
